

Buy now and pay in up to 72 monthly instalments!*

1. Scan the QR code.
2. Enter the purchase amount and the number of monthly instalments you want to pay it over.
3. Scan your ID or passport with the camera on your mobile phone.
4. Provide a few final details about you and your income, and then submit the loan request.
5. Find a store employee to check your ID.
6. Sign and save your digital loan agreement.

That's it! Now it's time to enjoy your purchase.
